

Payment and Delivery Terms

for ordering at COSMOlogic GmbH & Co. KG

The below conditions are only applicable for ordering directly at COSMOlogic GmbH & Co. KG. For orders from China, India and Korea please contact our local resellers.

Delivery:

- Hyperlinks will be send to our customers and our software products can be downloaded directly from our server.
- Delivery takes place shortly after we receive a valid purchase order and the software license agreement is signed.
- As no software CD or DVD is send to our customers, the cost of insurance and freight (CIF) is not applicable (0.00 \$).
- Manuals, tutorials and examples are delivered in digital form with our software. A PDF reader is required.

Payment

- After delivering the software, we will send an invoice containing our international bank account and total amount in Euro.
- The payment is usually conducted as bank transfer in Euro.
- Credit card payments are possible with Mastercard or Visa. In this case additional charges of 2 % of the total invoice amount (incl. applicable taxes) occur. Please provide name of cardholder, cardnumber, expiry date and CVC security code.

Please provide:

- A valid invoice address
- Signed license agreements
- Contact information for the responsible IT-administrator
- Operating system for TURBOMOLE
